Re: United States v. James Rosemond,
Criminal Docket No. 11-424 (S-4) (JG)

Dear Judge Gleeson:

The government writes concerning the letter from The Smoking Gun seeking copies of government exhibits 519-527, which are copies of the proffer agreements signed by the defendant. Since these exhibits were admitted as evidence during trial, the government defers to the Court as to whether they should be provided to The Smoking Gun and any other media outlets that may request these exhibits.

Respectfully submitted,

LORETTA E. LYNCH
United States Attorney
